From Source, System, Storage, Sip to Sanitation

The *WASH Rotary Action Group's World Water Summit* unites global leaders to explore how WASH prevents polio and other diseases. This year's event spotlights proven tools, emerging trends, and scalable solutions for lasting impact. Experts will share insights on WASH in healthcare, schools, and communities, ensuring safe water access and stronger public health systems. Through discussions, case studies, and interactive sessions, participants will gain actionable strategies for sustainable disease prevention.
